

For he has made
everything
beautiful in its
time...

Ecc. 3:11

This is us!
Just like a
caterpillar,
we have to
endure so
much in this
lifetime...

Though we endure
much and go
through hardships
in this life, we
have to trust the
Lord's timing and
process for our
lives!

For just like the
caterpillar that
has turned into a
beautiful butterfly,
the Lord is making
us and our stories...

Beautiful
in its time,
in His time.

In Its
Time
