

This is us!  
Just like a  
caterpillar, we have  
to endure so much  
in this lifetime...

For just like the  
caterpillar that has  
turned into a beautiful  
butterfly, the Lord is  
making us and our  
stories...

Though we endure much  
and go through hardships  
in this life, we have to  
trust the Lord's timing and  
process for our lives!

Beautiful  
in its time,  
in His time.
